Accreditation: American University is accredited by the Middle States Association of Colleges and Schools, Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104.

Course Value: American University uses the Carnegie Classification definition of a credit hour: at least 12.5 hours of direct faculty instruction per semester (in class, online, remote site) with at least 25 hours of student work outside of that direct instruction, typically conducted over a 15-week semester, or an equivalent amount of faculty instruction and work over a different time period.

Grade Point Average (GPA): There is no official percentile equivalent for grades at American University. The GPA listed at the end of each semester is for that semester only. The GPA includes A through F and FX grades and excludes courses affected by the Freshman Forgiveness Rule (see website). The graduate cumulative GPA includes only graduate-level courses. American University does not rank its students.

Academic Fail: Academic fail indicates the student's continued enrollment in the course and that he or she did not satisfy the instructor's summative requirements for passing the course.

Administrative Fail: Administrative fail is assigned by the instructor in lieu of a grade of F when a student never attended or ceased attending the class, rendering an assessment of academic performance impossible.

Incomplete: Effective Fall 2017, an incomplete is assigned by the instructor in combination with a default grade to be awarded if specific requirements are not completed by the incomplete due date.

Transcript Notations:

Repeat Courses: A symbol of **R** follows the grade entry.

Comprehensive Examinations: SAT = Satisfactory; DIS = Distinction
